Embedded database should be used for evaluation purposes only

The embedded database will not scale, it will not support upgrading to newer versions of SonarQube, and there is no support for migrating your data out of it into a different database engine.

SonarQube™ technology is powered by SonarSource SA

Community Edition - Version 7.6 (build 21501) - LGPL v3 - [Community](#) - [Documentation](#) - [Get Support](#) - [Plugins](#) - [Web API](#) - [About](#)
